## **Cleveland Public Schools Volunteer Packet**

### Superintendent's Welcome

Thank you for your interest in volunteering for the school district – you will be playing an important role in shaping the lives of district students.

This packet will assist you in completing the application process and provides all the necessary forms. If you have any additional questions or need more information as you work through this packet, please feel free to **contact \_\_\_\_\_ for** additional assistance.

### General Expectations

All volunteers are required to:

- comply with board approved policies and procedures – including policies regarding discrimination, harassment, and student privacy;
- conduct themselves in a courteous and civil manner while performing volunteer duties;
- maintain strict confidentiality (anything observed at school must not be discussed outside of school – even with a student's parent - and discussions in school must be limited to a need to know basis);
- dress appropriately for a school setting;
- refrain from discussing personal issues within the hearing of students;
- refer student discipline matters to school employees;
- report suspected cases of child abuse to the assigned teacher or building principal;
- refer student first aid and health needs to school employees (except in an emergency); and
- contact a designated supervisor in the event circumstances prevent performing the assigned duty.

All volunteers should strive to maintain safe interactions with students – for the protection of the student and the volunteer. Volunteers should:

- avoid being alone with a single student;
- conduct volunteer work with individual students (e.g., tutoring) only at designated times and locations;

- treat all students fairly;
- maintain appropriate boundaries, including physical, emotional, and electronic boundaries;
- refrain from exchanging gifts and/or personal information such as phone numbers, Facebook names, addresses, etc.; and
- refer requests for rides or special favors to the assigned employee.

### Athletic Volunteers

Due to student safety and liability concerns, an individual may volunteer in the district's athletic program as a coach, trainer, etc. only upon approval of the district's athletic director. Athletic volunteers must submit a separate application and complete all supplemental training required by the athletic director.

These special requirements do not apply to individuals who are serving concessions, taking tickets, passing out programs, or similar activities that do not involve direct supervision or work with student athletes.

### Transportation Volunteers

Due to student safety and liability concerns, an individual may volunteer to drive students on field trips or similar activities only upon approval of the district's transportation director. Transportation volunteers must complete a separate application and verification process.

Any individual who volunteers in this capacity is expressly assuming responsibility for any accident which may occur.
