

REPORTING STUDENT SUBSTANCE ABUSE

The board recognizes the complexity of problems which may be associated with student substance abuse. The concern is for the well-being and best interests of students at all times. Therefore, the following procedure will be utilized by teachers in reporting students who appear to be under the influence, as defined by law, of: low-point beer, alcoholic beverages, or controlled dangerous substances.

When it appears to a teacher that a student may be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances (drugs), the teacher will report the matter in writing to the principal. Whenever possible, the teacher should attempt to obtain a corroborative observation from another teacher or administrator. The principal will also notify the superintendent or the superintendent's designee of the incident. Additionally, local law enforcement authorities may also be contacted.

The report of the teacher will state the date, time, and place of the incident. It will also describe the actions of the student or other circumstances from which the teacher concluded that the student appeared to be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances.

The superintendent or his/her designee will also immediately notify the student's parent or legal guardian of the report. The notification to the student's parent or legal guardian may be verbal, but will be promptly confirmed in writing.

A copy of this policy will be delivered to each teacher and filed with the State Superintendent of Public Instruction within ninety (90) days of its adoption by the board of education.

STAFF DEVELOPMENT

The district's certified personnel are expected to attend all scheduled professional development days. The district shall keep a record of each staff development activity in the office of the Staff Development Committee.

However, no more than a total of one hundred fifty (150) hours of local, state, or federal professional development or training shall be required for classroom teachers during any five-year period.

Teachers shall maintain written documentation of all their completed professional development.

Local teachers meetings will be called as needed within the negotiated time by the superintendent, the superintendent's designee, or department or building leadership. Teachers are required to attend these meetings unless otherwise stated.

In addition to these requirements, teachers may require to participate in individual growth goals in accordance with the programs and guidelines established by the Oklahoma State Department of Education. These growth goals will be established in conjunction with a teacher's evaluation (regardless of whether a teacher is evaluated during a school year).

Dismissal or nonreemployment for any cause not listed in 2A(i) - (v) for a career teacher, or not related to inadequate teaching performance for a probationary teacher, shall not require corrective action procedures (i.e. admonishment) to be followed.
- F. Corrective Action – Admonishment / Plan for Improvement
- i. When an evaluator who has evaluated a teacher pursuant to School District policy identifies poor performance, conduct or an evaluation rating which the evaluator believes may lead to a recommendation for the teacher's dismissal or nonreemployment, the evaluator shall:
 - admonish the teacher, in writing, and make a reasonable effort to assist the teacher in correcting the poor performance or conduct; and
 - establish a reasonable time for improvement, not to exceed two (2) months, taking into consideration the rating on the evaluation or the nature and gravity of the teacher's performance or conduct.
 - ii. Whenever a member of the board of education, superintendent, or other administrator identifies poor performance or conduct that may lead to a recommendation for dismissal or nonreemployment of a teacher, the evaluator who has responsibility for evaluation of the teacher shall be informed and shall admonish the teacher as described above. The superintendent shall furnish a copy of the recommendation to the board of education.

The District may discipline any teacher who violates a student or parent/legal guardian's confidentiality rights and protections pursuant to the Family Educational Rights and Privacy Act (FERPA) and any other state or federal law which requires confidentiality of information concerning students.

3. Procedures for Dismissal or Nonreemployment

A. Commencement of Action

- i. Whenever the superintendent determines that cause exists for a district teacher's dismissal or nonreemployment, the superintendent shall submit a written recommendation to the board of education. The recommendation shall state the specific ground(s) (statutory grounds, in the case of a career teacher) and specify the underlying facts on which the recommendation is based.
- ii. In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation as to reemployment of a teacher, the board may initiate dismissal or nonreemployment action without a recommendation provided that it adheres to the other provisions of this policy and that the corrective action procedures, if applicable, have been followed.

B. Suspension

Whenever the superintendent believes cause exists for a teacher's dismissal and that the immediate suspension of the teacher would be in the best interests of students, the superintendent, or the board of education on the recommendation of the superintendent, may suspend the teacher without notice or hearing. The suspension shall not deprive the teacher of any teaching compensation or other benefits to which he/she would otherwise be entitled under the teaching contract or law. Within ten (10) days after the suspension becomes effective, the board of education shall initiate a hearing for dismissal pursuant to this policy. However, in a case involving a criminal charge or indictment, such suspension may extend to such time as the teacher's case is finally adjudicated, except such extension shall not include any appeal process.

C. Notice and Hearing

- i. Prior to taking action to dismiss or nonreemploy a teacher, the board clerk or designee shall deliver a copy of the recommendation (or

comparable statement of the grounds and underlying facts if the board is acting on its own volition) and notice of hearing rights to the affected teacher. The notice shall contain the date, time, and location of the hearing and shall be delivered by (i) certified mail, restricted delivery, return receipt requested; (ii) personal delivery, with a signed acknowledgment of receipt from the teacher; or (iii) process server. Delivery must be made to the teacher prior to the first Monday in June for a nonreemployment. The hearing shall be held between 20 and 60 days from the teacher's receipt of the hearing notice.

- ii. The teacher hearing before the board of education shall be conducted pursuant to procedures established by the State Department of Education. In the absence of or to the extent not inconsistent with those procedures, the hearing shall be conducted as prescribed in the paragraphs below.
- iii. The hearing shall commence with a statement to the teacher of the teacher's rights at the hearing. Following this statement, the school administration shall present facts showing the cause for the teacher's dismissal or nonreemployment. The teacher shall then have the right to present the teacher's side of the matter. After both the school administration and the teacher have fully presented their respective positions, the board of education shall deliberate on the evidence regarding the teacher's dismissal or nonreemployment in executive session.
- iv. At the hearing, the teacher shall be entitled to be represented by counsel, to cross-examine witnesses presented by the school administration, to present witnesses on the teacher's behalf and to present any relevant evidence or statement which the teacher desires to offer. The burden of proof for any dismissal or nonreemployment shall be on the superintendent (or designee), and the standard of proof shall be a preponderance of the evidence.
- v. After due consideration of the evidence and testimony presented at the teacher's hearing, the board shall vote, in open session, on the following: (1) findings of fact based on the evidence submitted and (2) whether to dismiss or nonreemploy the teacher. The decision shall be made by a majority of the board of education members present at the meeting and shall be final and nonappealable

The motion to dismiss or nonreemploy the teacher should state the specific cause for dismissal or nonreemployment, although such cause need not be a statutory cause for a probationary teacher.

- vi. The teacher shall be sent notice of the board's decision by certified mail, restricted delivery, return receipt requested, or substitute process. The notice shall state the basis for the board's decision.
- vii. The teacher shall receive any compensation or benefits to which the teacher is entitled until such time as the board's decision is final. If the teacher's hearing is for nonreemployment, and not for dismissal, the

teacher's compensation and benefits may continue only until the end of the teacher's current contract.

D. Criminal Matters

Whenever the superintendent (or board) makes a recommendation for a teacher's termination based on conduct which could form the basis of criminal charges sufficient to warrant the denial or revocation of the teacher's certificate for a reason set forth in 70 OKLA. STAT. § 3-104(6)(a),, the district shall forward a copy of the recommendation to the Oklahoma State Board of Education and the teacher at the time the recommendation is made, regardless of whether the teacher resigns before or after the resignation is made. If a teacher resigns prior to due process proceedings, a report of such resignation, including any investigatory findings of the school district, shall be forwarded to the State Board of Education.

4. Teachers with a Suspended Certificate

A teacher whose certificate has been suspended by the State Board of Education pursuant OKLA. STAT. tit. 70, Section 3-104 and OKLA. STAT. tit. 75, Sections 314 and 314.1 shall be placed on paid suspension while proceedings for revocation or other action are pending before the State Board of Education. During the time the teacher's certificate is suspended, the District may initiate due process procedures in accordance with OKLA. STAT. tit. 70, Section 6-101.20 *et. seq.*

REDUCTION IN FORCE
CERTIFIED TEACHING PERSONNEL

I. General Matters

- A. Reasons for a Reduction in Force. A teacher may be dismissed or nonreemployed when the board decides that due to (i) a financial exigency or (ii) a program change for institutional reasons or (iii) a decline in enrollment or (iv) other business necessity as determined by the board, a reduction in teaching staff is necessary.
- B. Definitions. For the purpose of this policy, the following terms have the stated meanings:
1. "Financial exigency" means a reduction in the school district's financial resources resulting from declining enrollment or any other action or event that in the sole judgment of the board of education will result in a reduction in the school district's current or future operating budget.
 2. "Program change" means any elimination, curtailment or reorganization of a curriculum offering, program or school operation or a reorganization or closing of a school or consolidation of two or more individual schools or school districts that is unrelated to financial exigency.
 3. "Declining enrollment" means a decrease in the school district's total enrollment or enrollment in a particular program or curriculum offering which in the sole judgment of the board of education may adversely affect the school district's current or future allocation of funds and/or the necessity of maintaining certain current or future class sections or curriculum offerings.
- C. Criteria for Eliminating Positions. The primary criterion in effectuating any reduction in force shall be the student and program needs of the district. In evaluating its program, the superintendent and the board will consider the elimination of teaching positions, not the teachers occupying those positions. In deciding which positions to eliminate, the superintendent and the board will consider the curriculum, the needs of students and those extra duty assignments that require special skill or expertise.
- D. Priority. In determining which teacher(s) will be dismissed or nonreemployed when one or more of a number of identical positions is

eliminated, the following criteria, **in this order**, shall govern¹:

1. The school district will dismiss or nonreemploy the teacher(s) who has the lowest composite rating under the school district's Teacher and Leader Effectiveness Evaluation System (TLE) in the position being eliminated. Ratings will be calculated by averaging the past three (3) years' ratings (or fewer if 3 years are not available) and will be measured to the nearest hundredth of a decimal point.
 2. If TLE score is equal, the school district will retain teachers based on certification: standard, then provisional, then temporary.
 3. If the teachers are equal under the above criteria, then the teacher(s) who has the most seniority in the school district will be retained.
 4. If the teachers are equal under the above criteria, then the district will retain the teacher(s) who has the most years of local district teaching experience in the position to be retained.
 5. If the teachers are equal under the above criteria, the school district will retain the teacher with the most advanced academic degree status.
 6. If the teachers are equal under the above criteria, the school district will retain the teacher with the most favorable written evaluations from the past three (3) years.
 7. If the teachers are equal under the above criteria, the school district will retain the teacher with the most favorable recommendations of principal and/or superintendent.
- E. **Bumping.** If a teacher's position is eliminated and the teacher scheduled to be dismissed or nonreemployed (after going through the criteria in section "D" above) has a composite TLE score of effective or above, then in the administration's sole discretion, that teacher may be placed in another position for which the teacher is certified to teach, if the other position is currently held by a teacher who has a composite TLE score that is below effective. Under those circumstances, the teacher with the TLE composite below effective will be dismissed or nonreemployed. If two (2) or more teachers in a specific position have the same composite scores, then the process of section (D) will be used to determine who is dismissed or nonreemployed.
- F. **Adult Education Teachers.** The dismissal and nonreemployment provisions of the Teacher Due Process Act of 1990 do not apply to adult education teachers. Accordingly, adult education teachers are not covered by the protections of this policy and, unless otherwise required by law, are subject to a reduction in force without notice and without compliance with this policy.

¹ The board reserves the right to retain teachers regardless of any criteria listed below when there is a need to maintain an extra duty program assignment and no other teacher possesses the necessary qualification and/or experience for such extra duty program assignment.

II. Procedures

- A. Action by Superintendent. The superintendent, upon receipt of the board's preliminary determination of the necessity for a reduction in force, or upon the superintendent's own volition, shall submit to the board the superintendent's written recommendations for terminating particular teaching positions. In making recommendations, the superintendent (i) shall not be limited to considering only positions in the areas or programs designated by the board and (ii) shall consult with each principal or other administrator in whose school or unit a position elimination/termination is proposed and (iii) shall take into consideration the criteria set out herein.
- B. Action by Board. In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation, the board may initiate action without such recommendation provided that it adheres to the other provisions of this policy.
- C. Notice and Hearing Procedures. Prior to taking any action to nonreemploy or dismiss a teacher due to a reduction in force, whether acting on a recommendation of the superintendent or on its own volition, the board shall provide notice and an opportunity for hearing to the affected teacher; provided, however, because the law does not provide nonrenewal hearings for teachers on temporary contracts, no hearing opportunity shall be afforded any teacher on a temporary contract with notice of the expiration of the temporary teacher's contract at the end of the school year being provided to the temporary teacher. The notice and board hearing procedures shall be the same as those provided by Oklahoma law and board policy regarding dismissal and nonreemployment of teachers for cause. Notice of a recommendation of nonreemployment shall be given to the teacher prior to the 1st Monday in June.
- D. Hearing. At the hearing, evidence may be presented by the administration and the teacher, as to (i) whether a reduction in force is reasonably necessary and is being made in good faith and for the best interests of the school district and (ii) whether the recommendation to not renew or dismiss the specific teacher is being made in good faith and pursuant to the process set out herein.
- E. Effect of Board Decision. The decision of the board based on the evidence presented at the hearing shall be final and unappealable.

III. Reemployment or Other Employment After Reduction in Force

- A. Recall. The recall provisions in this process will only apply and be available to a teacher who had a composite TLE score of at least effective at the time of his/her nonreemployment or dismissal. For one school year after the effective date of nonreemployment or dismissal due to a reduction in force, the board of education shall not fill the specific position previously held by a teacher who was nonreemployed or dismissed due to a reduction in force

without first offering such position to the nonreemployed or dismissed teacher. If more than one nonreemployed or dismissed teacher is both certified and qualified for a position which the teachers previously held with the school district and which becomes available, the board, after receiving the superintendent's advice, shall select the teacher it believes will best fill the position. Nothing in this policy shall give to any nonreemployed or dismissed teacher priority rights to fill a vacancy which becomes available and for which they are certified and qualified unless such position is identical to the position which they previously held with the school district.

- B. Recall Procedures. The offer of reemployment shall be made personally or by certified mail, return receipt requested, and the teacher shall be notified that if he/she wishes to accept, he/she must do so in writing within five (5) calendar days of receipt of notice or within ten (10) calendar days of the postmark on the envelope in which the offer is mailed, whichever is shorter. Failure to receive timely acceptance of the offer of reemployment eliminates all reemployment rights of the teacher.
- C. Status After Recall. A career teacher who has been nonreemployed or dismissed and who is then reemployed within one school year shall be reinstated as a career teacher. A probationary teacher who is non-reemployed or dismissed but is then reemployed within one school year shall be given credit for the time already served as a probationary teacher for the purpose of determining eligibility for career teacher status.

IV. Interpretation and Application

The interpretation and application of any provision of this policy shall be the exclusive province of the board of education.

RESIGNATION OF CERTIFIED PERSONNEL

Resignations must be dated and submitted in writing to the superintendent stating the effective date of resignation. Equivocal resignations will not be accepted. A resignation to be effective at the conclusion of a school year must be received prior to fifteen days after the first Monday in June. A resignation to be effective at any other time or to be effective at the conclusion of the school year but received after fifteen days after the first Monday in June does not sever the employment relationship for the subsequent school year unless and until approved by the board.

Resignations offered during the course of the school year will not be accepted unless the superintendent determines that arrangements can be made to avoid a detrimental impact on efficient operation of the school and the board of education concurs.

A resignation may not be withdrawn after it has been accepted by the superintendent and will be considered irrevocable from that date.

Upon receipt of a written resignation from a certified employee the superintendent shall:

1. Make a record of the date upon which the written resignation was submitted either by reference to a certified mail receipt or by writing on the face of the resignation the date of receipt and his/her initials.
2. If the written resignation is to be effective at the conclusion of the current school year and it is received prior to fifteen days after the first Monday in June, notify the employee that their resignation is accepted.
3. If the written resignation is to be effective at any time other than the conclusion of the current school year or to be effective at the end of the school year but is not received until after fifteen days after the first Monday in June, notify the employee that his/her resignation will be considered by the board of education.
4. Place upon the agenda of the next board of education meeting an agenda item for consideration and action on the resignation received.

The board of education may accept or decline to accept the resignation of a certified employee. Provided, that the board of education by adoption of this policy authorizes the superintendent to accept the resignation of those employees submitting resignations prior to fifteen days after the first Monday in June to be effective at the conclusion of the then current school year.

Payment of final compensation shall be processed and disbursed at the scheduled times.

STANDARDS OF PERFORMANCE AND CONDUCT FOR TEACHERS

PRINCIPLE III

1. Subject to the provisions of the Teacher Due Process Act of 1990, a career teacher may be dismissed or not reemployed for:
 - A. Willful neglect of duty.
 - B. Repeated negligence in performance of duty.
 - C. Mental or physical abuse to a child.

 - H. Abandonment of contract.
2. Subject to the provisions of the Teacher Due Process Act, a probationary teacher may be dismissed or not reemployed for cause.
3. A teacher shall be dismissed or not reemployed unless a presidential or gubernatorial pardon has been issued, if during the term of employment the teacher is convicted in this state, the United States, or another state of:
 - A. Any sex offense subject to the Sex Offender Registration Act in this state or subject to another state's or the federal sex offender registration provisions; or
 - B. Any felony offense.
4. A teacher may be dismissed, refused employment, or not reemployed after a finding that such person engaged in criminal sexual activity or sexual misconduct that has impeded the effectiveness of the individual's performance of school duties. As used in this subsection:

 - B. "Sexual misconduct" means the soliciting or imposing of criminal sexual activity

As used in this section, "abandonment of contract" means the failure of a teacher to report at the beginning of the contract term or otherwise perform the duties of a contract of employment when the teacher has accepted other employment or is performing work for another employer that prevents the teacher from fulfilling the obligations of the contract of employment.

EVALUATION OF PROFESSIONAL STAFF

Evaluation of professional staff is a continuous process; however, formal evaluation will be administered according to the following schedule:

Teachers

For purposes of this policy, teachers are those certified individuals who are employed in an instructional capacity or as a counselor, librarian, or nurse.

- Teachers who have been rated “superior” or “highly effective” under the district’s TLE system and who have completed a minimum of three (3) consecutive school years with the district may be evaluated every three school years, at the discretion of the building principal and if such practice is permitted by the district’s TLE model. For any school year in which a teacher evaluation will not be conducted, the building principal will notify any affected teacher, in writing, that no annual evaluation will be conducted for the teacher that year. A copy of the notice will be included in the employee’s personnel file.
- Teachers with three (3) or more consecutive complete school years of service in the school district and who have not been rated “superior” or “highly effective” under the district’s TLE system shall be evaluated at least once each school year.
- Teachers with less than three (3) consecutive complete school years of service with the school district will be evaluated at least once per school year and in accordance with the district’s TLE model. At a minimum, these teachers will receive formative feedback at least twice per school year, once during the fall semester and once during the spring semester of each school year.

All teachers, even career teachers who are not evaluated during exemption years, must still participate in any professional development / growth goals required by the Oklahoma State Department of Education.

Any teacher for whom student performance data is available will receive feedback regarding that data as a part of the evaluation process. The evaluator may consider that data when evaluating the teacher’s effectiveness.

Any teacher who is rated as “needs improvement” or “ineffective” under the district’s TLE system will be given a comprehensive remediation plan and instructional coaching. The plan and coaching will be developed and implemented based on sound educational practices in conjunction with the unique circumstances affecting the teacher.

Leaders

The superintendent shall be evaluated by the board of education annually pursuant to the district's policy governing the evaluation of the superintendent. Other certified school leaders (principals, assistant principals, and those who supervise classroom teachers) shall be evaluated annually by properly trained personnel designated by the superintendent. The evaluation will be based on the district's TLE model and a written copy of the evaluation will be provided to the leader.

Noncertified administrators are not covered by this policy. Noncertified administrators will be evaluated in accordance with the district's practices governing the evaluation of support employees.

Other

Nothing in this policy shall prevent a formal written evaluation of any professional employee on occasions more often than set forth herein.

All evaluations shall be in writing and the evaluation documents and responses thereto will be maintained in the employee's personnel file.

This policy and the evaluation form utilized to effectuate this policy shall promptly be made available to all persons subject to this policy. Nothing in this policy shall require as a condition precedent to dismissal of any leader/administrator that a prior written evaluation be made of the employee; provided, however, no action to nonreemploy a certified or non-certified leader/administrator shall occur without a written evaluation of the employee.

**SUSPENSION, DISMISSAL
AND NONREEMPLOYMENT OF ADMINISTRATORS**

1. Definitions and Scope

- A. "Administrator" means a duly certified person who devotes a majority of time to service as a superintendent, elementary superintendent, principal, supervisor, vice principal or in any other administrative or supervisory capacity in the school district (Okla. Stat. tit. 70, . § 6-101.3)
- B. "Dismissal" means the discontinuance of the service of an administrator during the term of a written contract.
- C. "Nonreemployment" means the nonrenewal of an administrator's contract upon expiration of the contract.
- D. "Suspension" means the temporary discontinuance of a administrator's services during the term of a contract pending dismissal or nonreemployment.

2. Procedures for Dismissal or Nonreemployment

A. Commencement of Action

- i. Whenever the superintendent determines that cause exists for a district administrator's dismissal, nonreemployment, or demotion, the superintendent shall submit a written recommendation to the board of education. The recommendation shall state the proposed action, the reasons for effecting the action, and his/her right to request a hearing before the board of education.
- ii. In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation as to reemployment of an administrator, the board may initiate dismissal, nonreemployment, or demotion action without a recommendation provided that it adheres to the other provisions of this policy.

B. Suspension

Whenever the superintendent or the board of education believes cause exists for an administrator's dismissal and that the immediate suspension of the administrator would be in the best interests of the children in the district, the board of education or superintendent may suspend the administrator without notice or hearing. The suspension shall not deprive the administrator of any

compensation or other benefits, excluding extra duty compensation, to which he/she would otherwise be entitled under a contract or law. Within ten (10) days after the suspension becomes effective, the board of education shall initiate a hearing for dismissal or demotion pursuant to this policy. However, in a case involving a criminal charge or indictment, such suspension may extend to such time as the administrator's case is finally adjudicated, except such extension shall not include any appeal process.

C. Notice and Hearing

- i. Prior to taking action to dismiss, nonreemploy, or demote an administrator, the board clerk or designee shall deliver a copy of the recommendation (or comparable statement of the reasons effecting the action if the board is acting on its own volition) and notice of his/her right to request a hearing before the board of education.
- ii. The administrator shall have 10 days to request a hearing before the board of education. Failure to request a hearing within this time frame shall constitute a waiver of the right to a hearing.
- iii. The hearing shall commence with a statement to the administrator of the administrator's rights at the hearing. Following this statement, the school administration or a designee for the board of education shall present facts showing the cause for the administrator's dismissal, nonreemployment, or demotion. The administrator shall then have the right to present their side of the matter. After both parties have fully presented their respective positions, the board of education shall deliberate on the evidence regarding the administrator's dismissal, nonreemployment, or demotion in executive session.
- iv. At the hearing, the administrator shall be entitled to be represented by counsel, and to present witnesses and cross-examine any witnesses presented by the other side. The burden of proof for any dismissal, nonreemployment, or demotion shall be on the superintendent (or designee), and the standard of proof shall be a preponderance of the evidence.
- v. After due consideration of the evidence and testimony presented at the hearing, the board shall vote, in open session, on the following: (1) findings of fact based on the evidence submitted and (2) whether to dismiss, nonreemploy, or demote the administrator. The decision shall be made by a majority of the board of education members present at the meeting and shall be final and nonappealable
- vi. The administrator shall be sent notice of the board's decision by certified mail, restricted delivery, return receipt requested, or substitute process.

D. Criminal Matters

Whenever the superintendent (or board) makes a recommendation for a administrator's termination based on conduct which could form the basis of criminal charges sufficient to warrant the denial or revocation of the

administrator's certificate for a reason set forth in 70 OKLA. STAT. § 3-104(6)(a), the district shall forward a copy of the recommendation to the State Board of Education and the administrator at the time the recommendation is made regardless of whether the administrator resigns before or after the recommendation is made. A report of such resignation, including any investigatory findings of the school district, shall be forwarded to the State Board of Education.
