Demolition and Regrading

Demolition of sheds and fencing located in the area of the red X's. Removal of all debris. Finish dirt to grade.

Grading and Gravel in the areas outlined or marked with black notes. Gravel lots for parking in areas to the west of the barn. Regrading and gravel for the road looping around the west edge of the property. Locations that are currently grassed should be prepped to prevent future grass growth.

Addition of drainage whistle. At least 24 inch whistle to move water under new gravel lot area for the back of the barn.

Bids are due May 4th by 4:00PM

All bids submitted to Sol Bayouth at 600 N. Gilbert St. or
solbayouth@clevelandtigers.com
